ENTER & WORK IN CONFINED SPACES

RIIWHS202D – ENTER AND WORK IN CONFINED SPACES or
PMA – ENTER CONFINED SPACE – 1 DAY PROGRAMME

DURATION 8 hours

RII or PMA ENTER CONFINED SPACE

Depending on site requirements, Enter and work in confined spaces is available in either -

RIIWSH202D Enter and work in confined spaces or
PMA20113 competencies:

- MSAPMPER205C Enter confined space
- MSMPER200 Work in accordance with an issued permit
- MSAPMPER202A Observe permit work
- MSAPMOHS217A Gas test atmospheres

Both course options include the delivery of the unit
RIIRIS201D Conduct local risk control

COURSE OUTLINE

This course is a nationally accredited one day course and is accepted in the mining, construction, oil, gas, and other main stream industries throughout Australia.

The course is compliant with Australian WHS Regulations and the Australian Standard for Working in a Confined Space AS/NZS 2865 and covers the following areas:

- Definitions
- Current legislation
- Duty of care in relation to confined space entry
- Identifying hazards in a confined space
- Risk management including completing a JSEA
- Duties of standby persons
- Confined space equipment requirements
- Gas level stratification
- Gas detector operations
- PPE requirements
- Rescue equipment and plans

Face to face classroom delivery will be used to facilitate the underpinning knowledge requirements.

ASSESSMENT

Both theory and practical assessments will be conducted throughout the course.

On successful completion participants receive a Statement of Attainment and a wallet sized ID card enabling participants to carry proof of training.

BENEFITS

- Nationally accredited course
- Cost effective one day course
- Courses are frequently held
- Applicable across industries
- Contributes to the PCBU's due diligence profile

WHO SHOULD ATTEND?

Workers who are required to enter an enclosed or partially enclosed space that has atmospheric pressure during occupancy and is not intended or designed primarily as a place of work.

LEGISLATION/COMPLIANCE

Enter confined space meets with the requirements of RIIWHS202D and is recognised across many industry training packages.

This course covers all aspects relating to AS 2865/2001 and the code of practice.

PREREQUISITES

There are no prerequisites for this course.

RECOGNITION OF PRIOR LEARNING

Due to the risk involved in this course recognised prior learning may only be recognised if the candidate has recently completed the training. Every two years this training should be attended to remain competent.

LOCATION OF TRAINING

Our training centre is located at 12 Little Bramston Street Gladstone, Qld. Alternately courses can be booked for any location where appropriate facilities can be provided.

COURSE COSTS

A total fee of \$180 per person for either the RII or PMA competency, which covers all course materials, administration, training facility and catering costs. On payment and successful completion of either competency, for an additional \$100 per person, the other competency is available as an RPL.

BOOKINGS
