

Down to Earth
TRAINING & SAFETY SKILLS

RTO 32328

STANDARD 11 SURFACE MINING

STANDARD 11—GENERIC MINING SURFACE INDUCTION—SKILL SET

DURATION 2 days

COURSE OUTLINE

This course is a nationally accredited 2 day course run by Down To Earth Results in partnership with Energy Skills Queensland.

The Standard 11 Skill Set from the RII Resources and Infrastructure Industry Training Package meets the QLD regulatory requirements for those aiming to work in surface mining operations.

Participants who undertake the Standard 11 program will be gaining the requisite knowledge and skills identified by industry as being of paramount importance when working on site.

The Standard 11 course ensures that the generic safety information and obligations, applicable on all types of mine sites are provided to workers prior to working on a mine site.

Skill Set Requirements

- RIICOM201D Communicate in the workplace
- RIIERR205D Apply initial first aid
- RIIERR302D Respond to local emergencies and incidents
- RIIGOV201D Comply with site work processes and procedures
- RIIWHS201D Work safely and follow WHS policies and procedures
- RIIRIS201D Conduct local risk control

ASSESSMENT

If the RTO/GI Program Deliverer is satisfied with participant's existing/current workplace experience, a Statement of attainment may be provided.

If any part of the required Performance Evidence cannot be gathered the Participant will be issued with a Workplace Experience Logbook. This will need to be completed on site and signed off by site Supervisors.

On completion, the Participant returns the Logbook for verification, for a Statement of Attainment to be issued. A copy of this is sent to ESQ for validation of Participant competence which is then recorded in the GI Card via the 'Onsite Track Easy' process.

BENEFITS

- Nationally accredited course
- Complies with legislative requirements
- Ensuring that all individuals working on mine sites have the capability to operate safely in their roles

WHO SHOULD ATTEND

This Skill Set is for those individuals wishing to work in surface mining operations within the coal sector.

LEGISLATION / COMPLIANCE

This GI Program is an approved nationally recognised programme, designed and developed through consultation with Industry, the Mines Inspectorate, Registered Training Organisations (RTO's), Contractors and the Construction, Forestry, Mining and Energy Union (CFMEU).

PREREQUISITES

There are no formal entry requirements to the GI Program.

RECOGNITION OF PRIOR LEARNING

Recognition of competencies and direct credit will be granted to applicants who can demonstrate currency.

LOCATION OF TRAINING

Our training centre is located at 12 Little Bramston Street Gladstone. Alternately courses can be booked for any location where appropriate facilities can be provided.
